## Minutes of a Meeting of Mudford Parish Council held on Thursday 28<sup>th</sup> November 2024 at 19:00hrs

**Present** – Councillors (Cllrs): Jo Dalton-Leggett (Chair), Philip Edgeworth (Vice-Chair), Stephen Bartlett, Robin Bowring, Peter Blackwood, David Brown.

**In attendance:** SCLlr Henry Hobhouse, SCLlr Kevin Messenger, Petra Galloway – Parish Clerk/RFO and 12 members of the public.

### PUBLIC COMMENTS

- A member of public commented on a development in the village starting before the full planning permission was obtained and the wall of the neighbouring property collapsing as a result of the work. The issue has been reported to the authorities by the member of the public.

### OUTSIDE REPORTS FROM REPRESENTATIVES

- Somerset Councillors (SCLlrs):

From Cllr Hobhouse – Cllr Hobhouse has visited the flooded villages (Limington and Yeovilton were cut-off). He stated funding is available through SRA (Somerset Rivers Authority). He has also sent an email to the property portfolio holder to consider flooding not based on the historical data but to consider the impact of climate change. In addition, Cllr Hobhouse stated the flood prevention scheme of A303 is not effective (retention ponds not sufficient) and this issue will be discussed at a meeting with Highways management team on 11<sup>th</sup> December 2024.

The budget deficit of Somerset Council (SC) has decreased to £58m, the budget for social care forms 2/3 of the total budget.

- Outside bodies/groups:

Village Hall Committee representative – The Chair of the Committee summarised successful past events and planned future events such as Bingo (06/12/2024) and Christmas lunch (12/12/2024). First café morning of 2025 will be held on 9<sup>th</sup> January.

Three Villages Flood group – The Chair of the Group's Committee provided a summary of the work the group has accomplished since its establishment on 7<sup>th</sup> October 2024. The group has been featured on ITV West news with its campaign "Adopt a drain". The last flood event provided the group with insight of what improvements could be made in emergency response (some emergency numbers did not work and it took a while for the road to close). The group is planning to do more mapping of the area (drains) and how to reach vulnerable people. A leaflet campaign and press release has been prepared, a Facebook page and a new website is being planned. The group is applying for grants (including SRA) and planning a community event to recruit more flood wardens and inform the public of the work of the group.

### 19:22hrs – Meeting started.

### 24/177 To receive apologies for absence and approve the reasons (LGA 1972 s85(1)).

No apologies were received. Cllr Snell was absent.

**24/178 Declarations of interests.** Council members to declare any interests, including any Disclosable Pecuniary Interests they may have in agenda items that accord with the requirements of the Parish Council's Code of Conduct and to consider any prior requests from members for Dispensations that accord with Localism Act 2011 s33 (b-e). (NB this does not preclude any later declarations).

Cllrs Bartlett and Bowring declared interest - membership in the Three Villages Flood Group. The councillors will leave the room when motion 24/192 is discussed.

## 24/179 To approve and sign as a correct record the minutes of the previous Ordinary Meeting held on 31<sup>st</sup> October 2024.

(LGA 1972 sch 12, para 41(1)).

**RESOLVED:** The minutes from the Parish council Ordinary Meeting held on 31<sup>st</sup> October 2024 were **APPROVED** and **SIGNED** as a true and accurate record of the meeting held.

## 24/180 Matters to report from a previous meeting.

- a. Path Diversion (Clerk) – The Clerk has received an email from Somerset Council (SC) stating that there were no objections but there were representations. SC cannot confirm the order if there are representations unless those are confirmed (in writing) not to be objections. SC is waiting for a confirmation from one correspondent.
- b. Traffic measures (Clerk) – The Clerk has received a response from SC's Traffic management team with proposed traffic measures to be implemented by the team and paid for by Somerset Council out of 2025-2026 FY budget. The measures include:
  - Introduction of 3/6/9 yellow marking on the southern approach to the village.
  - Replacing 40mph signs with a slightly larger version.
  - New bend/junction warning signs to be introduced at northern approach.
  - New 40 roundels between Mudford and Yeovil without.
  - Speed limit: Traffic Management's Speed compliance tool has been examined for the section of the A359 through the village and the data shows an average speed of 26mph.

The Council noted the proposed improvements. The Clerk will (with the help of Speedwatch) examine the SID data to show why the average speed is not a good indicator of the speeding issue in the village. The same information will also be reported to the police. The Clerk will also ask whether the centre line could be removed as the traffic team has stated there is not enough room to introduce the measure.

**ACTION: Clerk, Speedwatch**

- c. Small repairs at the playground (Cllrs Edgeworth and Blackwood). Cllrs Edgeworth and Blackwood will attend to the repairs in due course, item to be removed from the Matters to report.
